

## CITRIS Investigator Agreement:

This agreement defines the benefits and obligations of CITRIS Investigators. You have Principal Investigator Status on your campus and you wish to have CITRIS Principal Investigator Status.

The **benefits** include

- Use of CITRIS shared facilities (conference rooms, classrooms with distance education capabilities, auditorium etc), subject to availability and usage fee
- Access to CITRIS shared laboratories
- Ability to apply for CITRIS seed grants
- Exposure of your research portfolio to CITRIS companies for potential funding
- Access to funding through participation in new CITRIS initiatives

The **obligations** include

- Acknowledge CITRIS in journal and conference papers based (especially) on CITRIS
- Seed Funded projects.
- Refer to the Societal Mission of CITRIS in related presentations and meetings
- Attend relevant CITRIS functions (retreats, workshops, outreaches, etc.)
- Agree to have all research projects listed under your research profile in CITRIS website (with full acknowledgment of the sponsors)

I wish to participate as CITRIS Investigator with benefits and responsibilities as described above.
