

CITRIS Membership Program

Welcome to our high-impact research and entrepreneurial community

CITRIS and the Banatao Institute bring together faculty and students from four campuses of University of California (Berkeley, Davis, Merced & Santa Cruz), representing more than 100 academic disciplines to develop technology-based solutions to address major societal challenges. CITRIS works closely with industrial and institutional partners and entrepreneurs to implement these innovations in California and around the world.

Core Initiatives

**CITRIS
CONNECTED
COMMUNITIES**

**CITRIS
HEALTH**

**CITRIS
PEOPLE AND
ROBOTS**

**CITRIS
SUSTAINABLE
INFRASTRUCTURES**

CITRIS Affiliates

Gain access and visibility among students and researchers in the CITRIS ecosystem. Explore opportunities for deeper relationships.

Benefits:

- CITRIS overview for your executive team
- Exclusive networking events and CITRIS research insights
- UC Berkeley, Davis, Merced and Santa Cruz campus connections
- Access to student groups via sponsored events and information sessions
- Logo recognition on CITRIS website and promotional channels
- Opportunity to sponsor CITRIS events
- Opportunity for tailored workshops to explore research synergies

CITRIS Partners

Collaborate on research projects and/or entrepreneurship programs while participating in their guidance and direction.

All Affiliate benefits plus:

- Tailored workshops to explore research synergies
- Targeted support for student researchers and/or seed-funded projects
- On-site collaboration via Visiting Fellow or Visiting Entrepreneur Program
- Seat on relevant Scientific Advisory Boards
- Seat on the CITRIS Research Advisory Council
- Opportunity to access relevant labs and test beds
