Big Data for Better Medicine
Center for Biomolecular Science and Engineering, UC Santa Cruz

CITRIS INITIATIVES

- i4energy
- health care
- infrastructure
- data & democracy

PLEASE REGISTER FOR EACH TALK @ <http://citris.eventbrite.com>. Due to limited seating, registration is highly encouraged. Free and open to the public, the CITRIS Research Exchange Seminar Series is a weekly roundtable of presentations that highlights ways to frame and tackle societal-scale research issues. Talks are on Wednesdays, 12-1pm in the Banatao Auditorium, Sutardja Dai Hall, UC Berkeley (*unless otherwise noted).
