Aging in a Digital World
Poster Session Application Information

Conference Dates: April 1-2, 2020
Conference Agenda: http://bit.ly/ADWAgenda

Poster Abstract Deadlines
Early Application Deadline: Feb. 5, 2020
Final Application Deadline: Feb. 15, 2020
Selected applicants notified by Feb. 28, 2020

Subject Matter
Poster abstracts are being sought on topics related to the conference's subject matter of aging, technology, and health care policy research.

Themes include:
- New models of care and health promotion for older adults and family caregivers.
- Challenges to implementing new models of care and health promotion for older adults and family caregivers.
- Technology development for aging populations.
- Novel methods for clinical research and innovation for aging and technology.
- Evidence-based digital health solutions for older adults in all care settings, including the home.
- Relevant public policy issues.

Submission Guidelines: https://health.ucdavis.edu/cht/pdf/ADW-PosterGuidelines.pdf

Submit a Poster Abstract
1. Fill out the submission form on the next page.
2. Prepare your 500-word poster abstract (maximum of 2,300 characters).
3. Submit both documents as PDFs via email to cowens@ucdavis.edu. Include your last name as the subject line.

Questions
For questions about the poster session, please contact UC Davis Health representative Corey Owens at cowens@ucdavis.edu.

Aging in a Digital World
Poster Session Application

First Name:_____ **Last Name:**_____
